“ I am so sorry that I missed the service in Alsey today. I did not want to risk sharing this flu. I have a great picture of Mindy as a young child that always hung in my parents' bedroom that I would like to send to Betty or Elizabeth. We moved 2 years ago and I haven't unpacked it yet but I will search for it soon. My address is: 1628 Cheyenne Lane, Normal IL 61761. If you send me an address for one of them, I will be able to send the picture. Thank you!

“ Mindy was the first person to reach out to me when I was in a difficult time in my life. One call and she was there within a half an hour. She was a caring and compassionate woman.

“ I am so glad we were able to reconnect after all these years. I will always treasure the memories we shared together as children. I know you are at peace now, free from your suffering. I will pray for your family during this time, prayers of comfort, healing and strength. You were a wonderful and beloved person and will be missed dearly.
