“ *There are too many memories, some are pretty fuzzy, some we probably just made up. The shopping cart incident comes to mind, bowling games at McHenry bowl, times in hot attics, times just sitting around talking over a beer and making jokes about other people. Al was one of my best friends, and he stayed that way for many years. I laughed with him, cried with him, but most of all I loved him for who he was, a good man, a great friend. I'll see you in awhile buddy. Mike Gipp*
