“ Betty has been my friend since I can remember. Sending prayers and love to your family at this difficult time. My grandma Betty loved her dearly and now they are together having a beer and reminiscing about old times. God bless all who knew and loved her. Rest in peace Betty Boop. No longer suffering and pain free. She is with us always in our hearts. God bless

Betty and I became friends when I moved across from her. Betty Boop you will always live in our hearts. You fought a good fight right to the time God took you home. You are now peaceful and pain free. Go fly and dance my friend with the Angels.
