“ *Max, very sorry to hear of your loss. Charlie Bell informed me today. You might not remember, but I met you as an original member of the Mid-America Port Authority some years ago. I never met your wife, but from what I read she was an amazing lady. My best wishes for your good health. Perhaps we'll meet again.*

“ *Bonnie and I were friends and classmates. I remember going to her house to visit as a young girl and teenager. It was always fun as it was the farm setting with horses and brothers doing chores. She and I stayed in touch recently as I would run into her when I was in Bluffs and through the elevator. She was a very kind and friendly gal- proud to be a friend of hers.*

*My sympathy to the family on your loss. It is a loss to the community and her friends as well.
