“ Our hearts and prayers go out to the family. The years that were spent in Bluffs will always be such good memories because of friends like Dale. May you find comfort in all your fond memories

“ Of course my favorite memories of Dale are from the days when my mom had the Koffee Kup and Lil's Grill. Dale and the gang were always cracking jokes with mom or helping out by running the cash register, clearing tables or serving coffee. I also remember them dressing up as women at a couple of events at school and for the Legion Picnic! Always a good time when Dale was around!!!
