“ *Danny and Gina were such good neighbors to my parents Ray and Darlene Sills and my boys when they were at their grandparents. I remember the day that my mom called me and said Danny was able to come In and visit for the first time ever since a ramp was put in for my dad. My boys loved to run down and see what kind of surprise they had for them as well. Generally a toy of some sort. Know that his kindness to my parents and the boys will always be remembered. Know that the family will always be in our thoughts and prayers. And the boys will never forget you. Becky, Joe, Luke and Levi Camerer*
