“ *I'm sorry I could not be there in person for you during your need. I will always remember both you and Darlene. I missed her most when she moved away from all of us but I did enjoy the road trip we shared to Roodhouse. I even remember the times we stopped over her house and watched the dog in the window when we got her for church. You have all my prayers and my love Michelle. always your friend Trisha*

“ Michelle,

I wanted you to know that we love you and are praying for you. This is a difficult time but your mom is in heaven and knowing that makes it a little easier.

I remember that day at Grace when your mom and I were making all those animals out of noodles. The ones the kids made at VBS. Your mom was such a hoot!! I loved her. It seems unreal and she will be deeply missed. Her laugh and smile. The way she accepted people even when people didn't accept her. Truly, she showed Jesus when others stuck their noses in the air. The scripture comes to mind about what you do to the least of my brothers you do also to me. What a Blessing to know that your mom acted on that verse with her life.

I love you and am sorry I couldn't be there physically for you.

My prayers are with you! Love, Suzy, Rose and Ambe

“ Michelle,
I truly was a pleasure getting to know your mom. She was always a wonderful listener and a large at heart person. I know that this is a trying time for you and just know that you and your mom will be in our thoughts as well as forever in our hearts.. We truly lost an angel her on earth.....Just always remember that mercy has always been shown by Darlene and that is something that we as her friends and family can always carry on for her. I love you both and Darlene you will truly be missed.
