*I never got to know my great grandpa that much, but when i was little, he was the best person i had on my side, he was always happy whenever i saw him, he meant a lot to me and i do miss him dearly. He was a great man and I know that he is still smiling down on us and leading us along the right path. He was a good man and a better grandpa than anyone could ask for. I love you poppy. Thank you for everything.*
