“ *Going up Uncle Denny was always joking around with us all. He made going to Grandma and Grandpa Metz fun. With the jokes the throwing snow balls and playing with the kids outside. I can remember one time I put ice in his shirt and he said he would get me back . It took him until summer to get me back and he got me good. We was at the cabin and I came in on the porch giving. Him crap and he got me down and put a fishing worm in my mouth. I remember that like it was yesterday. I never laugh so hard. I'm going to miss him so much. I love you*
