“ I worked with Don at Nestle for 14 years before I transferred to Wisconsin. I have often recollected on the many good times and occasional practical jokes we shared. I will continue to remember him as a good man and a good friend. My deepest sympathies on his passing.

“ One of the nicest men I have ever met. He always greeted me with a firm hand shake while looking me straight in the eye. Always concerned about how my job was treating me also. I will always remember Don and Linda taking us boys to car shows when we were young great times that I will always be thankful for. Mark Shewmake
