“ *My deepest sympathy to Marilyn's family and friends. I worked with this dear lady at the bank for many years. She was a kind, hardworking and fun lady and so patient. Almost every morning she would start the day with "Lord are you with me today or not?"and "This too shall pass". Marilyn, I believe you have passed on to our opened armed Lord. RIP*

“ My sympathy to all of Marilyn's family. She was a devoted wife, mother, and member of St. Mark's Parish. I remember one Christmas Midnight Mass when I accompanied her as she sang a beautiful solo carol before the Mass. Marilyn was such a hard worker and raised her wonderful large family with much love. You are all in my thoughts and prayers as you grieve the loss of your cherished loved one. May she rest in the peace of her eternal reward. Michael Moore

Marilyn shared her love of gardening with me and shared plants also. I'll remember her when I enjoy their blooms.

I'm sorry for your loss and hope you find comfort in your memories. Marilyn was a good girl, and woman. She lived next door to my Grandmother who was diabetic with poor eyesight. She went every morning to draw up the insulin for her. I'm glad to have had her as a friend.
