“ *Cynthia, Stanley, Paul, Judy and family, I did not know about your mother's death until today (September 27)! I know you will miss her. You will laugh through tears as you remember her advice, something that she did, how she loved you.*

I am so glad I took her with me to Kampsville a few years ago to show me where they lived as neighbors to my mom and dad. Mom would tell people they lived between the river and the cemetery. I knew the general area but your mom showed me!

My sister Mary came to visit in June 2012 and we had a good visit with your mom. She had a good time with us when we went to Hillview and Kampsville.

I knew she liked to cook but I had forgotten about the restaurants! She enjoyed her time with Esther Morrison. Esther enjoyed her!

I am thankful to have known your mom. May her soul live in God's eternal light. May you be comforted by the kindness of family and friends.

“ We were so sorry to learn of Louise's passing. She and my mother were both residents of Knollwood for some time (my mother is now at Barton Stone as was Louise). When Mom first moved to Knollwood, Louise was her neighbor across the hall and they became friends. They had a mutual acquaintance in Esther Morrison. Louise was always so kind and friendly to everyone she met--whenever she saw me coming to visit Mom, I'd stop and chat for a minute. It was just the natural thing to do--she was so easy to talk with. And I know my Mom always appreciated Louise's kind words, especially as Mom has macular degeneration and is unable to recognize people--she'd recognize Louise's voice!
Our best to you, her family, as you grieve her loss. God bless,
Mamie Torbeck

“ I just wanted to let you all know that you are in my thoughts and prayers.
I was an employee at "The White House" restaurant in Winchester. Louise taught me quite a bit about cooking for the masses. I admired her hard working, straight forward ways, mixed with some humor. I am thankful for our time together.

Most Sincerely,
