“ *I recently ran into Chrissy a few weeks ago..an I was telling her I needed to go visit Wayne an Debbie. Was laughing as I told her "they may not let me in the front door when they remember who I am". Steph an I have been friends since kindergarten. It doesn't matter how long its been since I've seen you....we always pick up..just where we left off. You and your family has always been apart of me an who I am today. With the most heartfelt Sympathy and Love....Traci Johnisee-Rawe.*

“ Dad, I cannot believe you are gone and I didn't get to say I love you and how I will miss you. I know the last 5 yrs we didn't see or talk to each other but it didn't mean I stopped loving. You we're a great dad to me and I appreciated that. I will miss you deeply. Love your daughter.
