“ *We are all going to miss Sister Eileen at Calvary Baptist Church. I always loved seeing her smile. Sister Eileen played the piano very well and the children always loved marching downstairs to children church by the music she played. Sister loved her hats, I always commented on how nice she looked in them and she would smile and tell me she just loved hats. Sister Eileen loved all the children, as well as everyone at church. She was always a joy to be around. Our prayers are with Brother Bob and their family for comfort and strength. I am sure that Sister Eileen is giving praises to our Lord, for she is no longer in pain, no tears and she is able to play her wonderful music for Him in Heaven, for she is home now. We will remember Sister Eileen for her warm smile and loving heart and know that we will meet again one day at the river then walk the golden streets in heaven.*

*We love you all,
Frankie, Cynthia and Keenan Ballard*
