“ He's truly one of a kind grandpa. I wish I could have spent more time with him and getting to know him but the little memories count. He loved playing hill climb racing on my tablet because he loved collecting cars and displaying them on his shelf and he taught me how to go fishing and how to put a worm on a hook. He was the kindest person in the world and he would put a smile on my face with his funny jokes. I will never forget the time he let me ride on his tractor when I was a kid and I will never forget the time he saved me from that deer attack. I know that he is resting and hopefully we will meet again some day but for now just rest in peace grandpa. You are not forgotten.

“ *Estell was truly one of the "good" guys. He will be forever missed coming in to visit at the bank. I hope he is cruising around in that 57' Chevy smiling and watching everyone pay their respects. I will definitely keep your family in my thoughts and prayers at this difficult time! Sincerely, Jamie Martin*
