“ *I don't know what is going to be the hardest for me ... to miss hearing Fred say, "Hello, dear!" whenever I called him; missing his big heart; his genuine love; or just knowing that he was there. As her little cousin, Roberta was always a Fairy Princess in my eyes, and Fred was her Prince Charming. That image of them never changed throughout my life. And when she left us, he continued to love me as his own, picking up where she left off. And now they are together once again; their love as alive as it's always been. I am so thankful for the love and caring we shared. Fred was an exceptional and amazing man and I will miss him terribly! What a privilege to have loved (and been loved by) him!*

Much love to his family!

“ *My favorite memory of Fred stems from his mother-in-law's final illness. Grace was bed fast and Roberta and Fred were providing care. Fred was so kind, sweet and sympathetic! I don't remember the specific endearment he used but he was so intent on keeping her as comfortable as possible. It stood out to me! I felt it was a rare thing to see, especially in a son-in-law. He was a hands on caregiver. Vonna Park*

“ *My sympathy to all family. I have known Fred and Bert most of my life as grew up in Bluffs. My Aunt and Uncles went to school with them and were life friends. Patricia Hall Engelbrecht*
