“ I remember Gary with fondness. We worked closely together for several years organizing and co-leading the Iowa 4-H Shooting Sports Program. Was so grateful for his enthusiasm and dedication for youth programs. So sad to hear he passed on.

“ I met Gary as one of several interviewers on our Keokuk County Extension Board. He was hired as our Extension Director, and as such, he visited each member's home to glean advice and get to know each member. We had two children close in age to his son Bill, and we became fast friends, camping every Father's Day outside of Pella, Iowa, near Lake Red Rock, where we rode bikes, swam, and garage saled in Pella, before retiring to the campgrounds for a long visit around the camp fire. He and Jean attended and helped with both of our childrens' weddings and we did attend Bill's a year ago this last January. One of our most enjoyable trips, was to their home in Whitehall, where we drove a little further south to observe a magical solar eclipse one beautiful summer afternoon. I can hear Gary right now, saying "Well, Mary....." He was a true and loyal friend, and a truly good man. He will be greatly missed!

“ My husband, Bill Robinson, sat with Gary in meetings mostly farm related and enjoyed his expertise in that field. More important, they became good friends and recently I found a letter Gary had written to Bill after leaving Winchester that shared this deep respect they had for each other. RIP Gary with all the saints that have gone before and I pray you and Bill can once again talk farm life.

My heartfelt sympathy and prayers to Jean and family.
