“ Gary and I had a great time, with the exotic animal sales, in Missouri! He will be missed by a lot of people, from Mobil Chemical! Gary loved ALL animals, but he loved the Elk and the deer. I was glade to help Gary, get the Elk a few years ago, from Missouri. Gary was a war hero and did not get credit, for this, as most did not know this! I thought a lot of Gary and I will miss him, plus did not spend enough time with him, as I should have! Very sorry for the Blake family, with the loss, of Gary! A friend Delbert Lael
