“ *Patty, Odell, Brad, and family:
I'm sorry that I could not be with you this week to celebrate Gary's life and memories.*

Gary was a tremendous mentor for me when I became a police officer. In my 40 plus years in law enforcement he was one of the best policemen I had the opportunity to learn from, and work with. He made a difference in my life, and many others.

My thoughts and prayers are with you all.

“ *Dear Patty: I had just talked to Gary recently and he was so positive and warm and he told me that he was ill. We had a good visit like we had so many times before and went over a couple of car insurance questions. Mainly we just visited as old friends do. I just wanted you to know how much his kind words and friendship meant to me. My deepest sympathies. Tom*
