“ *I am so sorry for your loss. George was a great man and I remember how proud he was of his gardening skills. He and John competed to see who could grow the biggest sweet potatoes and George usually won. And all the evenings C Quing the airwaves to see how far away they could talk to someone. And who could catch the biggest, longest, fastest fish. He was a great friend to many and will be greatly missed.*

“ My condolences. I met George while growing up in Murrayville while still in my teens, talking to him and several other old timers on the CB Radio. Soon after, he became licensed as amateur operator N9WJM i too, soon after obtained my amateur callsign, N9YAY. Until I moved away for college, i always enjoyed coming by his house to talk on and about radio, see who we might be able to contact and where. He will be missed conversing with when visiting home. Your family is in my thoughts and prayers.

“ My uncle George has always been a big part of my life. I remember him chasing us around the yard with his remote air plans. He was a fun loving man and father, and my heart is broken from losing him. But I know he's with aunt Coleen and his family and he is out of pain. And that warms my heart, I love you uncle George I will miss you and will see you again. Love Patty Brown
