“ *Bugsy was such a great comfort and joy to her little Tennessee cousins when we came to Illinois. Vivid memory of her coming over to Grandma's, turning off the lights in Uncle Sam's room, putting catsup on her face, a flashlight under her chin and scaring us with ghost stories! We will never forget agalinabagalina either. We love you, Bugsy. We wanted to grow up to be you. The world has lost a lot of laughter and kindness*
