“ My heart is deeply saddened by the passing of Greg and now Pam. My family and I met them and grew to love them when they began attending Opine Assembly of God Church, Opp, AL where I led the singing. Pam became our church pianist, Greg played his trumpet and occasionally they did a special song together. Sometimes Greg filled the pulpit and always preached a powerful, challenging message out of God's Word. My favorite memories center around how they made my young sons feel so special. They always looked forward to seeing "Mr. Greg" and "Ms. Pam" at church each Sunday, and sometimes when a church group went out for lunch after service. When my Father lingered in the hospital before he passed away, Greg came a number of times and offered me comforting words and a prayer. Today, as you have their memorial service, I can almost hear Greg and Pam playing and singing encouragement to us to remain steadfast in our Faith in our Lord. And in his strong booming voice, I know Greg is proclaiming, "Heaven is real, it's too beautiful to miss!" Until we walk those golden streets together some day, keep proclaiming and singing Greg and Pam! Larry Spann

“ We dearly loved Pam and Greg Stanbery. They were both an amazing couple and worked together as a team for the Lord. They were a tremendous blessing to the Lewis Creek Pentecostal Church in both song and Gods Word. We will miss them in this life but we are expecting to be together again in eternity.

“ I knew Greg & Pam back in the early 1970's. Went to church with them and participated in youth activities. Parted ways when I went away to college. Pam was a great pianist, with a great voice. We were close for a couple of years before college. Wonderful people, loved the Lord and serving Him. Pam's parents were an awesome couple. I really enjoyed sitting under Pastor Selby's ministry. Helped shape my spiritual life and serving God.
