“ *It was a very sad day when Mr. Bushnell Went to be with the Lord. Him and his wife always spoke to me when ever I was at my Daughters next door. I had made Christmas Cookies with my Grandkids and had took some over to them the pass few years when I came up from Florida. They were both very nice and when ever they would go by would honk at us all. We were out working in the yard picking up the leafs and Harold came over with 2 plastic things that would pick them up better. I will always remember that day it was so very nice of him to do that. My thoughts and prayers are with you all. And I sure hope Mrs. Bushnell is doing well. My family keeps so very busy all the time. They do so many things with there kids. They really don't bother anyone. But they do care. God Bless You All. Susie*
