“ *Gene you were like my father growing up. I looked up to you and always wanted to make you happy. I will never forget the times at grandmas where you taught me how to make newspaper planes, and gave me a star. Or my silly nickname you gave me. words cant express the way i love you. but i strongly believe you are watching over us all. save me a place up there with ya. cant wait to do chores up there with ya one day. I love you Yahbut!*

“ *Gene was a great guy and friend. He made us laugh and we will miss him very much. He was one of the first friends I made after buying my farm in Fayette County 14 years ago. We kept in touch even after he moved from the area. I am thankful I was able to visit with him before he died. I have lost a good friend. Our prayers and thoughts go out to his family. Love, Rick (Smitty) and Sharon Smith.*
