“ Howard married my dad’s sister, Dorothy Stringer Green Bushnell. He was very faithful to drive aunt Dorothy to Jerseyville every week to visit my mother, Dorothy Sears Stringer. We had fun visits and, they kept my mom and Dorothy close. My family appreciated those visits so much. Howard was a kind and interesting man. He always had stories to share and kept us laughing. We were blessed to know him. We are sending prayers to his family. Rest in peace Howard.
