“ LeAnn, Erica, Sierra, so sorry to read of your dad's passing. Larry and I knew your dad well in Jacksonville. He also did wonderful work for us outside and in our home on South Main. He took such time with us planning all projects, listening and designing with our choices. Irv put so much time in with the siding on our rounded front porch. Your dad was always a pleasure to have working in our home. With our older home, the projects were not small, always with unforeseen surprises. He took them in stride. Irv also later than all home remodels, lovingly built a stage for us. Anything we needed redone your dad was our first choice. Always work well done. You girls were young when we knew your dad, he loved you girls.
