“ *To Joe and the rest of Jim's family I send my sincere sympathy. Jim and I have been life-long friends and I'll remember him for his always friendly greetings, ever-ready to share a story-or two-or three about his family, or a memory from our school age years growing up in White Hall. I remember Curly and Fran and the boys so well as neighbors too. God's blessings on you all and may His comfort surround you at this sad time.*
