“ *I have so many memories of Jay all centered around good times growing up.  
There were many super bowl parties where Jay would roast part of a hog or fry up some oysters. Jay had a heart of gold and would give anyone everything he had. May the angles lead you to paradise.*

“ I will never forget Jay! Such a great laugh, I can still hear it. Jay was the best man at our wedding. I will always laugh at how hard he tried to get a bra put across our car window that night! The memories we have will never go away. I know you and Terry got into a lot of mischief back then and I think I am glad that I didn't know half of it!. Thanks for the memories and a good laugh! You will always be remembered.

“ Wow the memories I have of this man! He was a family friend and a great one he was . My dad and Jay go back a long time. I remember him always being so jolly. My dad and Jay remained friends up until he passed away 2 yrs ago. Dad spoke highly of jay and his parents and they were always looking out for each other. My prayers go out to Jay's family. RIP jay!
