“ I keep thinking back to the days when I was young and owned a beauty salon. Jill came in one day and asked if she could work for me. I gave her a job shampooing for me whenever she could. Whenever she was there with me the place was always filled with laughter. It will always be a good time memory.

*“ I am so sorry to see of Jill's passing. I knew her it seems like forever. She lived in the same neighborhood as my grandparents in Roodhouse. When I would stay in Roodhouse I would always see her outside playing. Then she worked at Capitol Records like I did. I always enjoyed running into her someplace and talking to her.
Thoughts and prayers to her family.*
