“ My prayers go out to you today. I was very fortunate to have gotten to know J.T. through the years at ECC. He and I had a good relationship and I was very proud of the progress he had made over the last years. He was becoming a wonderful young man. He could smile and give you that innocent look that would manipulate you into giving him what he wanted. He had a wonderful soul. He loved his Cowboys, McDonald's and girls. He will forever have a place in our hearts here at Elm City Center.

“ Jimmy was one of my favorite athletes that I have ever had the honor to coach. His spirit and enthusiasm exhibited the spirit and meaning of Special Olympics. It was always great to watch how hard he worked at every sport that he was in. I am sure that he will always be watching over his teammates. In addition to Special Olympics, I knew Jimmy from his life also. I was always impressed with how proud he was of his accomplishments in the shooting sports that he so enjoyed with Vinny. The sparkle in his eye anytime he talked about Vinny and Mary was always impressive. God bless your family.
