“ *I always looked forward to the time each year when Joe and Roberta would come back to our little Dover Community Church. Their warmth and cheerfulness was always a blessing to the congregation. I have missed them since the time they were no longer traveling and could be at our church. They are much loved here and Joe will be very missed, We love you Roberta, God bless you and comfort you and the rest of the family as well. Randy and Shari Veenker.*

“ I could not have ask for a better step-dad, than Daddy Joe. You always took great care of my Mom. I will always remember after each and ever visit when we hugged good-bye, you always whispered "I'll take care of her." Well Daddy Joe it my turn to whisper "We'll all take good care of Mom." I'll miss your sweet smile-the sound of your laughter-and your tender hugs. Mom wishing that I could be there with you and the rest of the family but, I will be there in spirit and in your heart. I love and miss you.
