“ Denny, Danny & Darrell & Families,
I remember when we were young we would have the cookouts and social gatherings with lots of people ,adults & kids all having a great time!! Most of the time in the middle of some funny joke you were bound to find Joyce & Eddie Evans telling and/or laughing loudly creating quite a humorous commotion! Joyce made the high school years more fun working there . She was a hoot! You guys think back on all those fun times and remember she had some great times on this earth. She & Dad are probably in their next life laughing and having fun. God Bless You All, Kyle

“ Joyce was at the high school in 1970, as I was a Junior. She was the Study Hall monitor and she had her hands full. When the bell rang at the end of the day, I remember Bull Thomas jumping from the second floor study hall window! Joyce looked over her glasses and said in a low tone, " Hope that boy didn't break his neck!", turn and walked out of the room. Too funny! She's a dandy!

“ Dear, dear friends, We are among many that loved Joyce. Her laugh was delightful! Joyce was one of a 'special' kind! I will always remember the morning i happened to visit her and she served me BIRTHDAY CAKE! I did not know it was her birthday, but I enjoyed our visit and her little dog, too...She showed me the pictures of her trip to FL and that visit will always be special. I am sorry we could not be with you at this time. love and prayers, Ed and Pat Frost

Prayers and deepest sympathy to Denny, Daryl, Danny and families. I don't think she ever met a stranger. I can remember being at Buck and Joe's and always getting to talk to her. Seeing how happy she made everyone when she would even just say Hi! She will be missed by family and friends.
