“ *Ronnie and I mourn her loss. Since we live out of state now, we will be unable to attend her services, but we send love and prayers to all who loved her. We have so many good memories of Judy and Joe. I met them when I was 16 and Ronnie 18. We spent many hours together throughout the years. Ronnie and Joe were a good team at the plant and relied on each other a lot. On one trip over to Shelbyville Lake we caught a fish with teeth, We laughed so hard about that one.. apparently it was called a dogfish. No one wanted to take it off the line.. even Joe. HA . We used to follow fellow co-workers around to where the County Continentals played. Good music and a lot of fun. Judy and Joe were very well matched on the dance floor. Everyone would sit at their tables and just watch them go around the room, totally in tune with each other.. step by step. Lots of memories. Our lives have been blessed by knowing them. Rest in peace dear friend. We will never forget. Ron and Janene*
