“ I am so sorry for Julie's passing. I met Julie through a friend and she was a kind soul. I am an animal lover and loved how much she loved her pups. I also met Bella and am so sad for the family especially Bella. It's hard to believe this happened to such a young woman. God gained another good soul. I'm so sorry to the entire family. “ I am very sorry for your loss. Losing a loved one, whether a child or sibling leaves a void that time cannot fill. However, as our Jewish friends have taught us to respond after such a loss, I pray that every memory of Julie will, in time, be a blessing.
