“ *I would like to leave my condolences to the family. I worked with Kathy at DCFS for many years. I was on her licensing team with Lou Carmody and Brad McElfresh. Kathy was a caring lady and put her all in her work. I'm glad I knew her. I enjoyed debating her on who had the better baseball team, St Louis or Cincinnati. I remember her Reds jacket she kept in her office. She would put on when she got chilly. She was a joy to be around. Dave Carter*

“ Kathy was my mentor & my friend. She was the most insightful person I've ever known. I would never have survived 27 years of state service in child welfare without learning from the best. While my heart is broken I know I am blessed to have had her in my life.
