“ *Shirley & family,
I just learned of Kenny's passing and my thoughts and prayers are with you always.
Kenny was such an awesome person; he always had something ornery to say but he was genuine, sincere and always helped a friend. Even through his sense of humor you could tell he truly loved his family and he was very proud of their accomplishments.
I became friends with Kenny and Shirley's while working at Altorfer's. I have fond memories of the times they stopped in whenever they were in Springfield. I will always cherish our friendship and the wonderful memories of the times we spent together.
Kenny will be greatly missed and the world will be little emptier without him.
Rest in peace my friend.*

“ Ken and Shirley were real good friends with my dad. They helped my mom out when dad had a stroke and was wheelchair bound. Ken and dad grew up and hung out as kids and as young adults and worked together at Freesen Inc. I will miss Ken and I will remember that he was always quick to laugh and to joke with his friends.

“ Shirley and Family,
I was sorry to hear of Ken's passing. Sure have fun and fond memories of the kindness you shared with my family after the flood of 93. May God continue to comfort you all during this time of sorrow. Remember God's promise that 'He will never leave or forsake us'. It has been 3 years today that Jake went home to be with Jesus, and I still miss him dearly. God gives us grace to go on.
With Love and Prayers,
Rachel (Smith-Hallock) and Jimmy Cox

“ Shirley and Family: So sorry to hear about Kenny. I really have missed him and Shirley coming in the office these last few years. He could always find something to say to make me laugh. He was a good man and I am sure a good husband, father, father-in-law and grandfather. It's never easy to let the loved ones go but now he is in a better place and not suffering. May he rest in peace and god bless all of you
