“ To know Kim was to love her! Her passion for the things she loved! In addition to the things above, I will always remember her love for Dallas when it was on (especially Patrick Duffy!) - She'd always say - "You know Bobby?" and then have a fact. She also had a passion for Michael Landon. She knew how to pick the hunks! 💕 She also always knew EVERY birthdate of those in the entire family and could recall them on demand from two generations above her to my kids generation! We all found this so entertaining when we were kids. She was a beautiful soul indeed.
