“ *Lari and I met in college. We shared some amazing adventures in New Orleans which bonded us for life. My wife and I celebrated several New Years Eves with Lari and Linda. We visited their farm and enjoyed meeting the relatives. We kept in touch over 50 years. We are saddened by the sudden loss of Lari. He was a kind, trusting person. He was a good man, and he will be sorely missed.*

“ *Linda; I am so sorry to hear of your loss. I am also sorry we did not make connection during my trip to Illinois this past summer. It seems the time goes so fast. I will certainly be thinking of you and your family as you go through this transition in your life. I will never forget the fun times we had growing up and so appreciate you including me in the reunion. Take care. Hope to see you next year.*
