“ *Larry Brogdon was one of the funniest guys I every knew when growing up in White Hall. Remember many times going to skating rinks with him checking out the best places to roll around. Its been some years since we talked but I remember him fondly. His father and my Dad, Russell (Shorty) McGlasson worked many years together at Black's Chevrolet. The sunshine just got a little dimmer in the World without Larry in it. My condolences to his family. I will always have a good thought for him.*

“ *So sorry to hear about Larry's death, many childhood memories living across the street from him and his family, last time I saw him was when he was in icu in the hospital when my brother Larry was there, such a sweet guy.*

“ Tammy & Jody - Deepest sympathy and heartfelt condolences for the loss of your dad. We enjoyed being neighbors to your mom and dad when we all lived in Murrayville. That goes back a few years doesn't it? Thinking of you at this time.

“ So sorry to read of Larry passing. We shared many visits and talk about cars, I even took him a 'T' bucket model to assemble along with some hot rod books. This was when my mother was there in the nursing home.
