“ *In the nursing profession, we are told not to have any favorites patient/resident, but Leo made that difficult for me. He truly was my favorite person (resident) to take care of. He always had a kind word or two for me and it was my utter joy to take care of him. To Paul and Ellen, and Tim my many thoughts and prayers are with each of you during this most difficult time. May God richly bless each one of you as He blessed us all with the gift of Leo, may He wrap his blanket of comfort around each one of you as you say your temporary goodbyes. Love you all, Traci Damm*
