“ *Dear Judy, Jerry, Kris, Robin and to all that loved her; I am so sorry to hear about your loss and I wish I could be with you all today, but know you are in my thoughts and prayers. My thoughts are with a little girl that followed her sister and I around and didn't know anything cause we were older and wiser. A happy, bouncy girl that was the apple of her Daddy's eye. I only wish we could have kept in touch with our lives more but am truly glad the Lord has given her Divine Mercy and peace.*

God Bless,

“ Dear Jerry and Norma, Daryl and Judy, Robin, Chris, and other family members:

I'm so sad and sorry for your loss. I know that you all will miss Linda very much.

I went to school with Linda and she was a year ahead of me, in my brother's class. The kids from Eldred school were close, and that was a very small class. My favorite memory about Linda, she used to call me on Valentine's day and wish me a good and happy day, and remember my brother Randy, his birthday was February 14. I'm sure that was just one of the many "little" things she did because she was a thoughtful person. I'm sure there are many "little" things she did for others that mean as much to them.

Linda will be so very much missed, I know you have peace knowing that she will be with the Lord.

With good memories and love,
