“ My condolences to Dick and Lisa's family. I worked with Lisa for 16 years at the old Elliott State Bank in the trust department. Lisa was a vital person on our team and she will be missed. My wife and I ran into her at various locations in the community and would always have conversations to catch up. We were also shocked to hear of her death. I treasure the time that we had together at the old ESB. Rest in Peace! My prayers for her loved ones.

“ *I was so shocked and heartbroken when I saw this news. I worked with Lisa at Elliott Bank for many years. We shared personal stories, common interests, mutual friends, etc. We sat side by side at work and would eventually end up giggling so many times. I liked her so much. I haven't seen her in many years but thought of her often. I'll treasure my memories of her forever. My deepest condolences to Dick and both their families. I pray for a day where cancer stops taking precious lives. Rest in peace, Lisa.*
