“ *so sorry - she still had a long life to live. She & I was in tap dance classes with GraceAnn for the older ladies about 18 yrs ago. None of us was Betty Grable (dancer with the million \$\$ legs that is what she had them insured for) material, but we sure had a lot of fun, laughs & the exercise was great. Thanks for the memories Lou.*

Ray, I'm so sorry about your loss of Lou. She was always so friendly to me with a big smile on her face. We spent many times talking at the nursing home and she always gave me courage with her kind and caring words. You, Danny and Ethan are in my prayers. God Bless all of you.
