“ I met Lynette when we worked together at drs clinic in Spfld. Lynette was a sweet and very kind lady. She gave me rides to work on her way into Spfld from Winchester!! We shared alot of laughs and a quick friendship... I lost track of her when she quit to pursue better avenues in work. So sorry to family and friends for your loss.

“ I worked with Lynette at DPA/HFS for more years than I can remember. I trusted her as much as anyone I've ever worked with. She was loyal to the agency and our work. She spent her career solving bureaucratic puzzles to enable us to get healthcare to millions of Illinoisans. We could never thank her enough. I loved working with her and am so sorry she is gone.

“ We were all good friends when we were young and enjoyed the time spent together.

Lots of good times parties and laughs sharing each others successes and failures.

After high school everyone drifted away or at least we did.

Our condolences to your family.
