“ *I knew her quite well as I was the same age as Patty and lived just around the corner in the very small town of Bluffs. I remember her as always dressed “to the nines” in her high heels and shirt waist dresses. Every morning you would find her walking to the post office for the mail in her heels. She always took pride in her culinary skills and we benefited! It was always a treat to spend the night there. Such a classy lady from a different era in history. She is remembered with admiration as she dedicated her life to her family.* ”

“ *So sorry to not have her with us anymore. Aunt Marj was the best cook. I remember her fruitcake at Christmas. She was a woman with many talents making baskets, sewing clothes for Patty and me. She loved eating out at the Boatel. Loved our visits. She will be truly missed but now she is with those she loved so much and missed. She enjoyed her grandchildren these last yrs and also great grandkids .We loved her very much.* ”
