“ *We got to know Marge when she lived on Lynette Drive in Decatur, Illinois. We had built a home next door to her. She was very kind and always spoke about her family. I remember when she would come to us to open her medicine bottles or needed a hand in something around the house. Once she moved to Springfield, we always exchanged Christmas cards and news about our families. It was always good to hear from her. It was a pleasure to get to know Marge and we were sad to see her move to Springfield, but she seemed to enjoy being close to her sister. We extend our deepest sympathy to her family and friends.*
