“ *So sorry to hear of Marla's passing. She had the prettiest hair when we were kids. I remember many days of playing in her yard. We should have kept more in touch.*
Prayers and deepest sympathy to all of you.

“ *I am so sad to hear of Marla's passing. We shared so many memories of good times when our kids were young, many of them centered around Christmas programs at good old Lynnville Methodist Church, Girl Scout events with the Eisenhower Troop, and JTG plays...Marla made my costumes and hats for "Shenandoah." She even took photos for me to capture scenes during production. She was a friend and will be missed.*
