“ My heart breaks that Aunt Mary passed. On the other side though my heart is joyful that Grandpa and Grandma Chapman have all of their children in Heaven with them and how they must be partying and celebrating. Hugs and Kisses to all of you and I love each and every one of you so much.

*My memories of Aunt Mary are of her in the kitchen always doing something. She was always cooking or washing dishes. I remember spending time at Aunt Mary's house in the summer to play with Craig and Paul. Those were some great memories. I especially remember Aunt Mary's dishes and now I have some of the same pattern now. Every time I see them in my cabinet, my mind goes to Aunt Mary. She was a joy and a blessing.*

*Terrill and Craig even though I am not able to be there please remember that in my heart I am there with you. I know this is a hard time and my prayers and thoughts are with you all. We have to stay in touch or what Grandpa and Grandma started will end. Let's plan a 4th of July reunion and have all the cousins and second cousins, etc. come and share memories and make some new ones.*

*Love you guys,  
Brenda*
