“ *Mary's family,*

Our sympathies to your family - she certainly lived a long life. Our parents enjoyed her as a neighbor. They had interests in common - both big Cub fans and flower lovers. She always offered candy and bubble gum.

“ Jennifer and your family,
My sincere sympathy on the loss of your dear Mom. I always enjoyed visiting with her when I would see her at the post office when she mailed packages to CA!! I remember her mailing Steak N Shake canned chili that wasn't available in CA if memory serves me right. In later years, I visited with Mary at the nursing home when I walked through the facility. Thoughts & prayers are with you.
