“ *I was sorry to learn of the death of my dear friend today .My thoughts and prayers are with her entire family. I met Jo in the 60's when we both worked for the Dr.s Neighbor in Kansas City. We kept in touch over the years in person and over the phone. I tried to call her this weekend to remind her to watch Chiefs game as I would often do (also the Royals in season) and when that failed I called her place of residence. I will miss our long phone conversations where we shared news of our families. She was so very proud of her Texas family and enjoyed the wonderful weather there. The last time we spoke she seemed happy and content. May she rest in Peace. Sincerely Mel Marie Whitlow 4901 Wornall Rd #1007 KC Mo 64112*
